We recommend that all products are purchased through consultation with a specialist bathroom retailer and are always installed by an experienced installer who is a member of a recognised association. All sizes quoted are nominal: items may vary by plus or minus 3% from the figures quoted. When planning installations where dimensions are critical, it is essential that the space allowed for individual items is physically checked prior to purchase. Ashbee and Stone cannot be held liable for any costs associated with items not fitting in any given area. The contents of this statement are based on information correct at the time of publication. We reserve the right to make alterations and changes in product characteristics, fixing, packaging, operation etc. at any time without notice.
